TO WHOMSOEVER IT MAY CONCERN

The **Book on Cyber Security** by **Mr. Shubhanshu Sharma** alongwith **Mr. Satheesh Prabhu Gurusamy**, is a well versed book in terms of preventing cyber frauds at individual, institutional and industrial level. The details given in the book are worth noticing and insightful.

This book is useful to students, teachers and even common man who use technological advancements in their day to day lives.

As a National President of Indian Institute of Materials Management (IIMM), I have kept this book in library for student use in our 56 branches at various locations in India.
